Introduction

We are very pleased to introduce You to the EBS Householder Plan Insurance Policy (underwritten by Allianz) and thank You for insuring with Us.

Please read this Policy carefully to ensure that it provides the cover You require. If the Schedule details do not agree with the details completed on your Proposal Form then please return it immediately with a note of the changes that should be made.

Please advise immediately if the use or nature of your Premises changes or if You do anything which may affect our attitude to the cover provided – for example building an extension, re-roofing, etc.

The reinstatement value of your Premises shown in the Schedule is index linked but You should review this from time to time to make sure it represents the full rebuilding cost, including the cost of professional fees and site clearance.

This Policy (which includes and shall be read as one document with the Schedule, Endorse-ments, Proposal Form and Declaration), evidences a contract of insurance between you and Allianz p.l.c.

We will, subject to the terms, conditions, limitations and exclusions of this Policy, indemnify You against loss, damage or legal liability which occurs during any Period of Insurance for which You have paid or agree to pay the premium.

Safety Precautions

Fire Prevention

Electrical Appliances

Electrical sockets should not be overloaded. The ideal is one appliance, one socket.

Replace worn flexes immediately and unplug all appliances when not in use.

Heating Appliances

Keep heaters away from furniture, curtains and bedclothes.

Never move or refuel an oil or gas heater while it is lighting.

Open Fires

Never leave a room without putting a spark guard in front of the fire.

Have your chimney swept regularly – at least twice a year.

Cooking

Keep all electrical flexes off cooker rings or hobs.

Be especially careful with chip pans, they should never be left unattended on a lighted cooker.

Smoke Alarm

You should install at least one smoke alarm in your house.

At Night

Unplug all electrical appliances – especially the TV set.

Close doors to all rooms as this will assist in containing fire and smoke should a fire break out.

Water Damage

Every year severe winter conditions cause pipes to freeze and burst. The ensuing water damage to your house and Contents can be quite substantial. We urge You to take precautions to help reduce, or prevent, loss or damage of this nature in the winter months:

All pipes and tanks should be fully lagged.

Leave the underside of attic tanks unlagged to ensure rising warmth can reach them.

Inspect your cold water tank for rust/corrosion.

In Winter

Most damage tends to occur while people are away from home. If You are away for a few days, unless your heating is being left on:

Turn off the water supply at the mains and drain your domestic hot/cold water system by letting the taps run.

NB. When You return home do not light your boiler until the system is completely filled.

Refill slowly to avoid airlocks.

Safety Precautions

Burglary Prevention

While your insurance covers the financial loss You suffer as a result of a break-in, nothing can protect You from the emotional trauma and shock suffered when a stranger ransacks your home and rummages through your belongings. However, there is a lot You can do to help prevent it happening in the first place.

All External Doors

Fit five-lever mortice deadlocks (or their equivalent) to all external doors and You should lock these doors even if You are out for just a short time.

All Accessible Windows

A large number of break-ins occur through windows. Fit security locks to all accessible windows, i.e. those on the ground floor or near drainpipes or flat roofs.

Going out at Night

When You go out for the evening, it's a good idea to draw the curtains and leave a light on in the living room or a bedroom. Leaving the hall light on is not a good deterrent. Keep your garage/garden shed locked. Do not leave garden implements, especially ladders, lying around. They could help a thief gain access to your home.

Going on Holiday

When You go away on holiday, cancel all deliveries, i.e. milk, newspapers etc. Give a key to a trusted neighbour and ask him or her to keep an eye on the house and to remove mail from the letterbox or hall. Inform your local Garda station that You will be away.

Making a Claim

If You have any queries or if You need any advice in making a claim just contact Us on our claims helpline number 1890 77 99 99 which is open 9am to 5pm Monday to Friday.

When You are making a claim please note the following points:

Complete and return a claim form. Estimates should be submitted with Your claim. Once the estimate has been agreed by Us You can proceed with repairs/redecoration.

If property has been stolen or maliciously damaged, or if You lose a valuable item, You should inform the Gardai or Police as soon as possible. You will receive the Garda report form with Your claim form.

When necessary – in the case of broken windows or burst pipes for example – You should have emergency repairs carried out immediately to prevent possible further damage to Your property.

If the claim includes injury to someone else or damage to their property, You should send written details to Us as soon as possible. It is vital that we deal with such claims on Your behalf. Any letters or documents You receive should be sent unanswered to Us without delay.

Where we need to discuss Your claim You will be contacted as soon as possible to make an appointment.
