IMPORTANT INFORMATION

WARNING: If you do not keep up your repayments you may lose your home.

WARNING: If you do not meet the repayments on your loan, your account will go into arrears. This may affect your credit rating, which may limit your ability to access credit in the future.

WARNING: The cost of your monthly repayments may increase.

WARNING: You may have to pay charges if you pay off a fixed-rate loan early.

WARNING: YOUR HOME IS AT RISK IF YOU DO NOT KEEP UP PAYMENTS ON A MORTGAGE OR ANY OTHER LOAN SECURED ON IT.

WARNING: THE PAYMENT RATES ON THIS HOUSING LOAN MAY BE ADJUSTED BY THE LENDER FROM TIME TO TIME.

If you cancel or make a claim for reimbursement of a direct debit repaying your mortgage account, and fail to make alternative arrangements for payment, your account will go into arrears.

The amount you can borrow depends on how much you can afford to repay, typically no more than 35% of your disposable income but will depend on your individual circumstances. Factors considered include your income, financial status and evidence of your ability to repay (including capacity to repay at higher interest rates). Maximum loan amount is 90% of the purchase price or valuation whichever is lower. Minimum loan amount is €25,000. Loans not available to people under 18. You must provide proof of income. Mortgage loans must be secured on the property. The property must be within the Republic of Ireland. Mortgage protection and home insurance are required. You must pay for a valuation of your property, this must be carried out by a valuer on our panel of valuers and must be dated within 4 months of drawdown. Legal fees will apply, these fees will be determined by negotiation with your solicitor.

A typical € 100,000, 20 year mortgage for an Owner Occupier Residential Property with LTV greater than 80% will have a variable interest rate of 4.15% and APR 4.3%, and 240 monthly repayments of €613.91. If the APR does not vary during the term of the mortgage, the total cost of credit i.e. the total amount repayable less than the amount of the loan would be €47,554.23, (inclusive of valuation report fees of €215.00). The total amount repayable would be €147,554.23. The effect of a 1% increase in interest rates for such a mortgage will add €54.36 to the monthly repayments. Note: The above notice in respect of adjustments to repayment rates will not apply during any period when the loan is at a fixed rate. If you or your dependants intend to use the property as a principal place of residence, you must show evidence of mortgage protection insurance, unless you are exempt under the Consumer Credit Act 1995. Maximum loan to value of Owner Occupier Residential Properties - 90% of purchase price or valuation whichever is lower. Up to 80% loan to value is available for a studio apartment valued at €275,000 or above or a one-bedroom property. Lending levels are subject to monthly repayment burden, typically not exceeding c. 35% of borrower's disposable income and will vary according to individual circumstances. Mortgage loan requests are considered on the basis of proof of income, financial status and demonstrated repayment capacity (including capacity to repay at higher interest rates). Loans not available to people under 18. Mortgage loans are secured by a first legal mortgage/charge over your property. The property must be within the Republic of Ireland.

Lending criteria, terms & conditions apply. EBS d.a.c. is regulated by the Central Bank of Ireland. This offer is valid until 31st December 2024.
