EBS Mortgage Payment Protection

Introduction to the policy

This document sets out the cover **your** policy provides. Please read this document and **your certificate** so that **you** know exactly what **you** are covered for, and keep them in a safe place so that **you** can refer to them easily if **you** need to.

EBS Mortgage Payment Protection is an optional insurance product and is not conditional to the mortgage offering.

If **you** find **you** are not covered for something that **you** feel **you** have asked for, or if at any time during the **insured term**, **your** circumstances change you should contact **us** immediately on 1890 818 255. Failure to do so may affect **your** right to make a claim. Such changes include:

A change in your employment status:

Due to early retirement, or

Due to **working** less than 18 hours per week, or

Due to **working** outside the Republic of Ireland

A change in your residency status to outside the Republic of Ireland;

A change of **residential property (your residential property)** is no longer occupied solely and permanently by you and your family);

Any other change to the eligibility criteria as set out in Section 2.

If **you** decide **you** do not want the cover, please return the **certificate** to **EBS** within 30 days of receiving it along with written confirmation of **your** wish to cancel. **We** will refund any **monthly premium** **you** have paid as long as **you** have not made a claim under the policy. If **you** do not cancel **your** policy within 30 days of the **start date**, **your** policy will remain in force and may only be cancelled by **you** or **us** by giving 30 days' notice in writing. **We** will not refund any of **your monthly premiums** if **your** policy is cancelled more than 30 days after the **start date**.

If **you** reach 65, or permanently retire before **you** reach 65, **you** should write to **EBS d.a.c.**, The **EBS Building**, 2 Burlington Road, Dublin 4 requesting **your** policy to be cancelled.

If **you** want to make a claim against this policy, please contact **us** as soon as possible after the date

you last worked to ask for a claim form. For an unemployment claim we will consider **your** first day of unemployment as the day **you** register with the Department of Social and Family Affairs and for a disability claim we will consider **your** first day of disability as the day a doctor confirms **you** as disabled and not able to work. The claim form must be sent to **us** within 180 days of the date **your disability, unemployment, hospitalisation or critical illness** began. **We** will not pay any claims where notification of a claim is received by **us** after this date.

Warning: Failure to disclose accurate information may result in a claim not being paid.

The details of how to claim are in Section 4.

Your monthly benefit is the amount chosen by **you** in **your** application. This amount may be up to 125% of **your mortgage** monthly payments, up to a maximum of €2,540 per policy.

This **monthly benefit** is not automatically changed as a result of changes to **your mortgage** monthly payments. Please ensure **you** choose the most suitable cover option to meet **your** individual circumstances, including **your** employment status. If **your mortgage** monthly payment changes, **you** can amend the **monthly benefit** to reflect this change. The details of how to do this are set out in Section 7.

3 What are you covered for?

3.1 Disability cover

(Applicable to PAYE Workers and State & Self Employed Workers)

If **you** are **working** or on statutory maternity leave (not any extended leave provided by **your** employer), and **you** become **disabled** during the **insured term** for at least 90 days in a row, **you** will be entitled to make a claim.

We will not pay **you** for the first 60 days in a row of any **disability** as this period of any claim is excluded.

From then on **we** will pay **you** a **monthly benefit** for a continuous period of 30 days in a row that **you** are out of **work** due to **disability** and thereafter **we** will pay **you** a **monthly benefit** for each continuous period of 30 days in a row that **you** remain out of **work** due to **disability** until the earliest of the following:

- The **end date**; or
- **You** fail to provide evidence of **your disability**;
or
- The **outstanding balance** has been paid; or
- **We** have paid no more than 12 **monthly benefits** for each claim; or

- **We have paid 60 monthly benefits for all disability claims.**

We will consider the first day of disability as the day a doctor confirms that you are disabled and are not able to work. We will only pay you disability benefit if a doctor is regularly treating you for the accident, disease, illness, condition or injury causing your disability.

Further disability claims

If **you** have made a **disability** claim which ends for whatever reason, **you** will not be able to make another **disability** claim until **you** have been in continuous **work** (or, if **you** are on statutory maternity leave, **your doctor** confirms that **you** would be continuously fit to **work** if **you** were not on statutory maternity leave) for:

- 30 days if the **disability** is different; or
- 180 days if the **disability** is the same.

If two periods of **disability** are separated by 90 days or less **we** will treat this as one continuous claim but **we** will not pay **you** for any time **you** were not **disabled** between these periods. The most **we** will pay for this continuous claim is 12 **monthly benefits** in total.

You cannot claim for more than one cover at one time, (i.e. **we** will not pay **unemployment, critical illness** or **hospitalisation** benefit for any period that **you** are entitled to **disability** benefit, and vice versa).

Disability cover exclusions

We will not pay **you** a **monthly benefit** for any **disability** caused by or resulting from:

- any **pre-existing condition**; or
- any **disability** or **hospitalisation** arising within 30 days of the **start date** or **restart date**; or
- any **disability** or **hospitalisation** arising within 60 days of the **start date** if this policy is arranged more than 30 days after the date **your mortgage** funds are released; or
- self-inflicted injuries; or
- alcohol or drugs which are not taken under the advice or supervision of a **doctor** (this does not include drugs prescribed by a **doctor** for treating drug addiction); or
- **normal pregnancy** unless the symptoms of a **normal pregnancy** develop into a condition, sickness or disease which is:
 - o diagnosed by a **doctor** or **consultant** who specialises in obstetrics; and
 - o is not excluded under any other exclusions set out in this section; or
- psychiatric illness or mental disorders, including stress and stress-related conditions unless certified by and under the care of a consultant

- psychiatrist or
- any **elective surgical procedure**; or
- if **you** were aware of any **disability** or **hospitalisation** at the **start date** or **restart date**; or
- backache or related conditions, unless there is supporting medical evidence. This evidence may be a report from a specialist **consultant**. In either case, an MRI, CT scan or equivalent will be needed to show abnormality.
- any disability which occurs while **you** are **working** outside the Republic of Ireland, unless **you** are working:
 - (a) for the Permanent Defence Forces or as a civil servant in an **Irish** embassy or consulate, or
 - (b) on a specific project for less than 30 days outside the Republic of **Ireland** and are actually outside **the Republic of Ireland** for less than 30 days, or
 - (c) for an employer that is an **Irish** registered company which assigns **you** to work in the European Union on the same terms and conditions of **your** work in the Republic of Ireland.

We will not pay **you** for the first 60 days in a row of any **disability** as this period of any claim is excluded.

3.2 Unemployment cover (PAYE Employees only. Not applicable to State & Self Employed Workers)

If **you** are **working** or on statutory maternity leave (not any extended leave provided by **your** employer), and **you** become **unemployed** during the **insured term** for at least 90 days in a row, **you** will be entitled to make a claim.

We will not pay **you** for the first 60 days in a row that **you** are **unemployed** as this period of any claim is excluded.

From then on **we** will pay **you** a **monthly benefit** for a continuous period of 30 days in a row that **you** are out of **work** due to **unemployment** and thereafter **we** will pay **you** a **monthly benefit** for each continuous period of 30 days in a row that **you** remain out of **work** due to **unemployment** until the earliest of the following:

- The **end date**; or
- **You** fail to provide evidence of **your unemployment**; or
- The **outstanding balance** has been paid; or
- **We** have paid no more than 12 **monthly benefits** for each claim; or
- **We** have paid 36 **monthly benefits** in total for all **unemployment** claims.

When paying **your** claim, **we** will consider **your** first day of **unemployment** as the day **you** are first registered as **unemployed** with the Department of Social and Family Affairs or any other government office that replaces it. **You** will not be considered to be **unemployed** for days when **you** are receiving payment instead of **working your** notice.

Temporary work

If **you** are receiving **unemployment** benefit and want to start temporary work for 6 months or less, please let **us** know before **you** start that temporary work. **We** will not pay any **monthly benefits** while **you** are working temporarily, (unless that work is less than 18 hours per week) but when the temporary work finishes **we** will continue **your unemployment** claim and will treat this as one continuous claim, up to 12 **monthly benefits** in total.

Pregnancy and unemployment

If **you** are **unemployed** and become pregnant, **we** will continue to pay **your unemployment** claim during this pregnancy and immediately after **you** have given birth while **you** are receiving statutory maternity benefit. Once **you** are no longer receiving statutory maternity benefit **you** must continue to provide **us** with satisfactory evidence that **you** are **unemployed** and that **you** are actively looking for **work** to receive **unemployment** benefit.

Further unemployment claims

If two or more periods of **unemployment** are separated by three months or less, **we** will treat this as one continuous claim but **we** will not pay for any time **you** were **working** between these periods. The most **we** will pay for this continuous claim is 12 **monthly benefits** in total.

If the two periods of **unemployment** are separated by more than three months, **you** must return to **work** for at least 6 months in a row before **you** can make another **unemployment** claim.

You cannot claim for more than one cover at one time, (i.e. **we** will not pay **disability, critical illness** or **hospitalisation** benefit for any period that **you** are entitled to **unemployment** benefit, and vice versa).

Unemployment cover exclusions

We will not pay **you** a **monthly benefit** for **unemployment** if:

- **you** are self or state **employed**

- **you** were not in **full-time employment** for at least 6 months immediately before **you** became **unemployed** (if **you** were not in continuous **work** for 14 days or less **we** will not count this as a break in **your work**); or
- at the **start date** or within 90 days of the **start date**, **you** knew **you** would be made **unemployed**; or
- at the **start date** or within 90 days of the **start date** **you** knew **you** would be made **unemployed** if this policy is arranged more than 30 days after the date **your mortgage** funds are released; or
- **your work** was seasonal, casual or temporary, or **unemployment** is a regular feature of **your work**; or
- **you** resigned or **you** accepted voluntary redundancy; or
- **you** lost **your** job because of misconduct, fraud, dishonesty, an unofficial strike or lock-out, or any criminal act proven against **you**; or
- **you** have taken retirement and **you** have no intention of getting another job.
- If **your** unemployment occurs while **you** are **working** outside the Republic of Ireland, unless **you** are **working**:
 - (a) for an employer that is an Irish registered company who assigns **you** to work in the European Union on the same terms and conditions of **your** work in the Republic of Ireland.
 - (b) in the Republic of Ireland when **you** apply for this cover and the job location moves outside the Republic of Ireland, provided claim validation for unemployment claims can be provided by an appropriate employment office situated in the Republic of Ireland.

We will not pay **you** for the first 60 days in a row that **you** are **unemployed** as this period of any claim is excluded.

Fixed-term contracts

If **your** fixed-term contract ends **you** will not be able to make an **unemployment** claim unless:

- **you** have been in continuous **work** with the same employer for at least 24 months and **your** contract has been renewed at least once; or
- **you** were originally employed permanently by the same employer for at least 12 months but were transferred to a fixed-term contract by the employer without a break in employment and **you** had no reason to believe that it would not be renewed again.

3.3 Hospitalisation cover (State and Self Employed Only. Not applicable to PAYE workers)

If **you** are **working** or on statutory maternity leave (not any extended leave provided by **your** employer), and **you** become **hospitalised** during the **insured term** for 5 days in a row, **we** will pay a **monthly benefit**. After that, **we** will continue to pay a **monthly benefit** for each complete period of 30 days in a row of **your hospitalisation**, until the earliest of the following:

- **you** fail to provide evidence of **your** continuing **hospitalisation**; or
- the **end date**; or
- 12 **monthly benefit** payments have been paid for each claim; or
- the **outstanding balance** has been paid.

You cannot claim for **hospitalisation** benefit and **disability** benefit at the same time. **We** will only pay a **disability** benefit or a **hospitalisation** benefit at any one time. **You** must return to **work** for at least 6 continuous months in a row before **you** can make another claim for **hospitalisation** benefit.

Hospitalisation cover exclusions

We will not pay you a monthly benefit for hospitalisation if you are a PAYE employee. Please note that the exclusions for **hospitalisation** cover are the same as the exclusions for **disability** cover. Please see the **disability** cover exclusions in Section 3 entitled What are **you** covered for?

We will only make changes to the terms in this policy for good reason, including but not limited to the following:

- to make the terms clearer and more favourable to **you**;
- to reflect a legitimate increase or decrease in the cost of the service **we** provide **you**;
- to provide for the introduction of new systems, services, changes in technology and product development;
- to rectify any errors in existing terms that **we** may discover in due course;
- in response to any event outside **our** control that **we** expect to have an impact on future claims which **we** could not reasonably have foreseen;
- when the assumptions **we** make when calculating **monthly premiums** change; or
- as required to comply with any current or impending legislation or regulatory requirement.

If **you** are not happy with the changes, **you** may cancel **your** cover from the date of the change by giving **us** notice in writing within 30 days of the change.

- If **you** cancel **your** policy before it is due to finish, **we** may refund some of **your monthly premium** (as long as **you** have not made a successful claim). **Your** policy does not have a surrender value (**you** cannot get any benefits if **you** cancel it).
- **You** can choose which law will apply to the policy. This policy is subject to Irish law and to the jurisdiction of the Irish courts and shall be in the English language unless **we** make a written agreement with **you** saying otherwise.
- If **we** pay a benefit, **you** must allow **us** to enforce **our** rights against any other parties which **we** are or may be entitled to.
- Benefits under some insurance policies may affect **your** entitlement to certain state benefits.
- If **you** find **you** are not covered for something that **you** feel **you** have asked for, or if **your** circumstances change at any time during the **insured term**, please contact or write to **EBS** immediately. If **you** do not do so **your** policy may be affected.

- **You** cannot transfer **your** rights or interest in this policy to any other person. This policy will not have any value at the **end date** or if it is cancelled.
- If **you** make a claim for a benefit that is in any way fraudulent, **your** cover under this policy will be treated as invalid from the **start date**. **We** will not refund any **premium you** have paid and **we** may take legal action against **you**.

7 Changing your Monthly Benefit

If **you** want to change **your monthly benefit you** must send this request to **EBS** in writing. Once your requested change has been processed **EBS** will issue confirmation of the new **monthly premium** and restart date.

If **your mortgage payment** changes **you** can ask **EBS** to change your **monthly premium/monthly benefit** to cover the new amount of **your mortgage payment**. Please write to **EBS** requesting this to be changed.

Any change to the **monthly benefit** will take effect on the **restart date**.

However, **your new monthly benefit** will not be taken into account if one of the following happens:

- **you** become **unemployed** on or before the **restart date**; or
- **you** stop **working** or **you** are told that **your work** will stop within 180 days of the **restart date**; or

- **you** are already claiming on the **restart date**; or
- if **you** suffer a **disability** as a result of a **pre-existing condition** during the 12 months before the **restart date**.

In these circumstances, the **monthly benefit** will not change until **your** next claim, (if any) for **disability, hospitalisation** or **unemployment**.
